Americans for Financial Reform Education Fund (AFR Ed Fund) is seeking interns to help us lead the fight for financial justice. Please note that these are all virtual internships.

Formed in the wake of the 2008 crisis, Americans for Financial Reform is working to lay the foundation for a strong, stable, and ethical financial system – one that serves the economy and the nation as a whole, rather than a select few, and we are looking for bright interns to join the fight!

Our Vision: A world where the rules that govern the economy center human needs and help all families and communities to flourish.
